and county from speedy and hopeless bank- this sity, from Princess Anne county, Mary-The people of the county have the best evidence for believing that a larger portion of this debt has been incurred by the extravagance of our county courts, and by the collusion of some of the judges with railroad cliques and other parties. In other words, they believe that the county court, instead of fulfilling its object in guarding the interests of the people, has been, in the land, in 1828. Dr. Troost was a German, a owners in the city, and dying at an advanced the interests of the people, has been, in the past, an instrument in the hands of men used to oppress them and squander their money.

It cannot be denied that the conduct of the literature of the conduct of the literature of the conduct of the literature of the people, has been, in the city, and dying at an advanced of the literature of the people, has been, in the city, and dying at an advanced of the literature of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, in the city, and dying at an advanced of the people, has been, and dying at an advanced of the people of the city, and dying at an advanced of the people of the city and dying at an advanced presiding justice of the present court has children of an Indian weman, who claimed inhabitants, but feel almost sale in giving it been such, that as an officer, he has forfeited that she had been married to him and that as our opinion that as yet it does not exceed the confidence of a large majority of our peo-

the confidence of a large majority of our people. For this reason, and because they believe from his superior mtelligence, that he will be the controlling power of the court, they have no confidence in the court as at present organized.

Hence, alarmed at a state of things that has long prevalled in our county, with no prospect of a change for the better under the present court, the people have appealed to the State Legislature as the most direct heir; the heir—presumptive—is Robert way of redressing their grievances. A bill ert S. Smith, a young physician who graduway of redressing their grievances. A bill ert S. Smith, a young physician who graduis now before that body for the purpose of ated at the last commencement of the college ousting the present court, and organizing a of physicians and surgeons. It is stated that is a gentleman and a scholar. To name the new one by an election of the people.
